

## PCG RECOGNIZED AS VERTICAL ALLIANCE PARTNER OF THE YEAR

**SCOTTSDALE, AZ** — PCG today announced it has been recognized by Oracle NetSuite as the 2019 Vertical Alliance Partner of the Year – Manufacturing. The announcement was made at SuiteWorld19, an annual celebration of NetSuite customers and partners. This award acknowledges PCG’s leadership in customer acquisition, project implementation success and increased collaboration with NetSuite.

“With the right technology in place, manufacturing and wholesale distribution companies can solve complex business challenges by improving sustainability, agility and innovation,” said Adam Combs, president at PCG. “PCG is honored to be recognized and we are excited to continue to deliver NetSuite’s powerful cloud ERP platform to manufacturers across North America. The combination of PCG and NetSuite brings exceptional value-add through new opportunity, capital preservation and better project and business performance.”

With NetSuite, PCG delivers customers the following benefits:

- **Easier selection:** Best-in-class business, technical and product experts ensure customers get the information they need to make the best NetSuite product selection to their requirement.
- **Predictable project success:** Industry-leading project leadership, processes and methods bring NetSuite projects to completion on-time and on-budget.
- **Greater ROI:** PCG customers leverage more NetSuite functionality and information integration across their business, returning a better than average return on technology investment.

PCG further benefits its customers through close collaboration with NetSuite on product development, sales engagement, technology implementation and the delivery of superior customer experiences.

PCG created a dedicated NetSuite practice in 2017 to extend excellence in business consulting, application of cloud technologies and creation of business sustainability for manufacturing and wholesale distribution businesses.

### About PCG

PCG is a trusted provider of tailored end-to-end IT solutions that consistently and predictably deliver business sustainability. PCG is a company built on relationships, partnerships and experiences. We offer a single point of accountability. With the technical expertise of highly trained engineers, we have tremendous resources and capabilities in place to care for each and every aspect of a customer’s technology environment—from the back office to edge apps to the cloud and across the entire supply and demand chain. Whether it’s enterprise application cloud and hosting solutions or enterprise application (ERP) implementation and management, we are your partner in your success.
