

## PCG EXPANDS LEADERSHIP TEAM WITH TWO SEASONED ENTERPRISE APPLICATION AND NETSUITE LEADERS

**SCOTTSDALE, AZ** ((BUSINESSWIRE) — PCG, the leading business sustainability and resiliency consulting and implementation company, today announced the addition of David Gustovich and Ken Staresinic as Vice Presidents.

“I am excited to welcome Dave and Ken to PCG's management team . Each has led highly effective teams at enterprise applications companies, as well as founding and selling their own, leading-edge IoT company, to Oracle, NetSuite,” said Sylvain Thauvette, Managing Partner at PCG. “Together, they're the right addition at the right time to increase PCG's industry, customer and partnership success.”

David Gustovich is an accomplished executive leader, strategic business builder and growth driver with over 35 years of diverse selling, software and business experience. Most recently, Dave has been the Area Vice President, Global Manufacturing and Supply Chain for Oracle, NetSuite. Dave founded IQity Solutions, LLC, a leading cloud-based manufacturing software company, culminating in a 2016 acquisition by NetSuite, Inc. The IQity products were rebranded as NetSuite Advanced Manufacturing, Mobile Manufacturing and Quality Management.

Ken Staresinic is a highly experienced leader in driving operational excellence and value delivery that generates revenue growth and profitability. For over 30 years, Ken has led numerous operational teams across varied industries, solving supply chain issues like materials planning, manufacturing and technology alignment and adoption. Ken joins PCG from Oracle, NetSuite where he was the Director, Supply Chain Center of Excellence and Director, Consulting Services for Advanced Manufacturing. Ken was also a co-founder and Senior Vice President of IQity Solutions.

“As we continue to lead our industry, expanding our leadership team with entrepreneurial, technology, manufacturing and executive leadership experience is critical,” said Adam Combs, President of PCG. “Dave and Ken are powerful additions to PCG that will directly accelerate our portfolio of unique solutions while helping our customers unlock the full potential of the NetSuite ERP solution platform.”

“PCG is a two-time winner of Oracle NetSuite's Manufacturing Partner of the Year,” said Gustovich. “I'm excited to join a team that has consistently led in creating sustainable and resilient manufacturing and distribution companies on NetSuite. I know first-hand the value of the solutions they deliver and I believe there are tremendous opportunities to drive even greater market and customer solution value.”

“PCG is a trusted company that brings business sustainability and resiliency to manufacturing and distribution companies around the world,” said Staresinic. “I look forward to building on that strong foundation to drive PCG even deeper into Industry 4.0 and IoT customer success while filling solution gaps with innovative, leading-edge apps.”
